# Age of Reagan

BEIRUT, Lebanon (UPI) — Israeli and Palestinian forces traded artillery and heavy machine-gun fire yesterday as 200 Israeli tanks gathered at a key crossing point, straining war-ravaged Beirut's latest ceasefire to the breaking point.

## israelis massacre

## RON EXPRESSES ANGER OVER BOMBARDMENT

American made tanks are being used to bomb Beirut.
THOUSANDS HAVE BEEN KILLED

And now, Reagan says he's pissed off.

I say he should never have sold Isreal the Fuckin'tanks in the ist.place

Hospitals have been bombed with U.S.made artillary/children have been senselessly killed or maimed.

And now Reagan says he's

pissed off

I say we should send **HIM** to Beirut, that FUCKIN'ASSHOLE.

page 4

# REAGANS' WORLD?

That regime is ready to repeat the horrible massacre of January 1932 where 30,000 peasants, 4% of the population, were slaughtered.

It's a funny kind of democracy they have which involves sending their forces in to bombard little peasant villages like Chalatenango and San Vicente with U.S. weapons smuggled in through the port of Acajutla in December 1979.

## US aid to junta

(1) **A black mask put on prisoners in preparation for certain tortures.**
(2) **Spies paid by the security branch to listen in on conversations and inform on people who are "subversive".**

They planned to kill 100 "organized" people per day."

*the U.S.A.'s military support for the junta*

*The whole Salvadoran people is victimized by the junta's savage repression. In the last year, more than 10,000 people have been murdered by the junta's henchmen.*

"Tell the people in your country why I could not plant my crops this year because the army bombarded us. Tell them why I am carrying a gun. It is not because I like violence or bloodshed. It is because my son and the husband of the woman over there and the brother of that boy over there were assasinated because they had had enough of all this."

## TALES OF TWO CONTRIES

High on a cliff, the military men stand throwing down body after body of their victims: workers and peasants, mutilated, heads chopped off... Another scene like that takes place in the capital city of San Salvador on August 23. Two hundred soldiers, armed to the teeth, force their way into the Soyapango power station and brutally eject the occupying workers. The union leaders are thrown into jail.

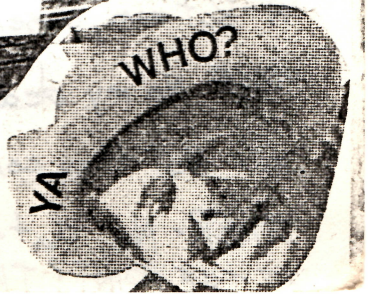
What lies behind the coup d'etat that put the junta into power on October 15, 1979? Where do all the grand theories about "national security" and "counter-insurgency" and extermination of the people come from? Who dreamed up the militarily patrolled "cleared zone" set up all along El Salvador's borders with Guatemala and Honduras where the former soldiers of overthrown Nicaraguan dictator Somoza are busily training? Who is responsible for all the troop movements and simulated troop landings going on throughout Central America and the Carribbean? There is a single answer to all those questions: Uncle Sam, the U.S.A., which is willing to do absolutely anything to keep that oligarchy and its government apparatus in power.

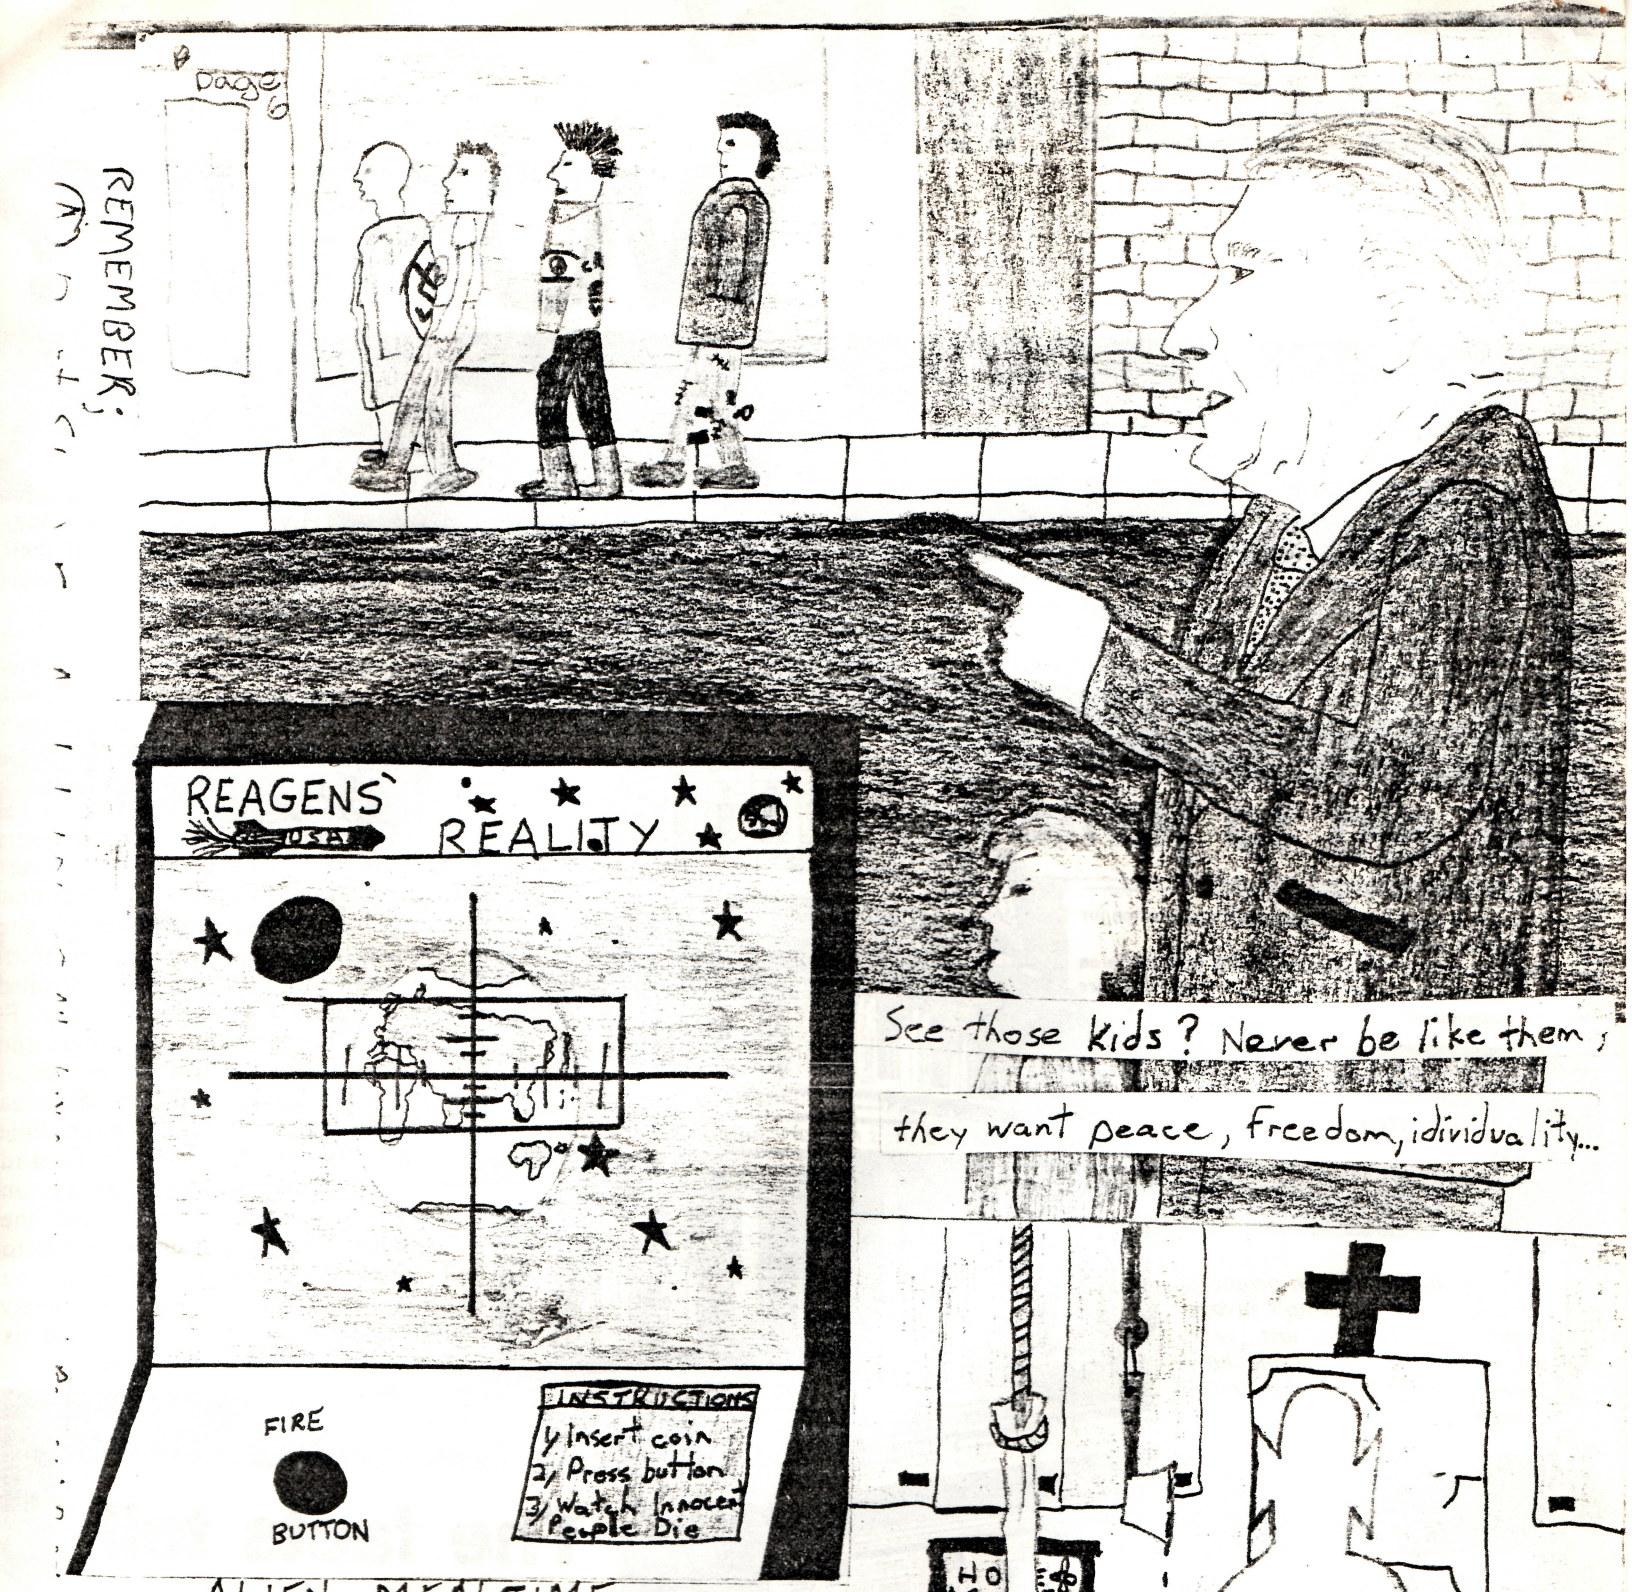
## The facts tell a brutal story

**Our task: Stop U.S. intervention in El Salvador**

"No war! We won't fight another Vietnam in El Salvador!"

Yet another scene: two 18-year old boys and a 14-year old girl nabbed on the first day of the August general strike by the security police. They are whisked away to the special department on the second floor of the National Guard building where a dozen atrocities are committed every hour: violent body blows, electric shock treatment, the "capucha"(1), rape...





## ALIEN MEALTIME

ON - Mommy what's for dinner tonight?

OTHER - We are having human my dear.

ON - But mom, doesn't it hurt when we kill them?

OTHER - No my dear they're too stupid.

ON - But they communicate don't they?

OTHER - No, that's just meaningless noise.

PORT STANLEY — Nine Polish merchant seamen who jumped ship to escape the martial law regime at home only to get caught up in the war over the Falkland Islands may have to spend seven years at this remote, cold outpost.

One has received a letter from his mother saying: "You are a foolish boy, a bloody fool to end up in a b[illegible] war."

DON'T BE FOOLED BY WHAT THE GOVERNMENT TELLS YOU ABOUT NUCLEAR POWER!PROBABLY SOME OF THE BIGEST LIES HAVE BEEN TOLD ABOUT IT.THEY TELL YOU IT'S SAFE AND ECONOMICAL THIS IS TOTAL BULSHIT THERE HAVE BEEN MANY LEAKS IN THE REACTORS IN THIS AND OTHER COUNTRYS THAT WE HAVE HEARD ABOUT AND THERE HAVE MOST LIKELY HAVE NOT HEARD ABOUT.AS FOR BEING ECONOMICAL THIS IS ALSO BULLSHIT IF THEY HAD SPENT AS MUCH ON SOLAR POWER AS THEY DID ON NUCLEAR WE WOULD HAVE A CLEAN ECONOMICAL POWER SORCE.STILL TODAY THEY IGNORE THEY SUN AND WIND SPENDING MORE AND MORE ON THIER DEADLY POWER SORCE.THEY ONLY REASON THAT COUNTRYS WANT NUCLEAR REACTORS IS THAT IT IS THE ONLY WAY TO MAKE PLUTONIUM THE MOST IMPORTANT INGREDIANT IN MOST NUCLEAR BOMBS. THE BOMB THAT WAS DROPPED ON NAGASAKI,WAS A PLUTONIUM BOMB.CANADIAN GOVERNMENT MAY NOT PRODUCE NUCLEAR BOMBS BUT THEY SELL REACTORS TO OTHER COUNTRYS SO THEY CAN PRODUCE BOMBS,AND SO THE DEADLY CIRCLE CONTINUES:ONE COUNTRY GETS THE BOMB AND HELPS ANOTHER COUNTRY TO GET THE BOMB,AND SO ON!!! THE GOVERNMENTS OF THIS WORLD ARE MURDERERS,IT'S AS SIMPLE AS THAT.IF WE ARE TO LIVE IN FREDOM ALL THE BOMBS MUST BE REMOVED,WE MUST STOP THE GOVERNMENTS DEADLY GAME.IF YOU BELIEVE IN SOMETHING YOU SHOULD STAND UP AND FIGHT BACK,BUT REMEMBER VIOLENCE BREEDS VIOLENCE,TO REACT TO THE SYSTEM IN A VIOLENT WAY IS THE STUPIDEST THING YOU CAN DO.IF YOU BELIEVE IN ANARCHY AND PEACE THEN YOU MUST STAND UP TO THE GOVERNMENT PEACEFULLY YOU CAN FORCE SOMEONE TO DO SOMETHING BUT THEN YOU HAVE DEFEATED YOUR POINT.PEOPLE SHOULD BE ALLOWED TO BE ABLE TO MAKE THIER OWN RULES,THEER OWN DESISIONS.IT TAKES A LOT MORE COURAGE TO BREAK UP A FIGHT THAN TO START ONE. VIOLENCE,SEXISM,RASISM IS THE SYSTEMS GAME NOT MINE.

THIS IS A MESSAGE TO ALL YOU FUCKERS WHO THINK IT'S REALLY SMART TO BEAT THE LIVING SHIT OUT OF SOME ONE WHAT THE FUCK ARE YOU TRYING TO PROVE? WHY DO YOU PLAY THE SYSTEMS GAME OF VIOLENCE? IT'S SO STUPID TO FIGHT WITH FISTS KNIVES AND BOOTS. DON'T YOU REALISE THAT NOTHING WILL CHANGE THROUGH YOUR MINDLESS VIOLENCE.

YOU SUPPORT THE SYSTEM BY **NEVER** USING YOUP OWN VOICE.

DO YOU REALLY BELIEVE IN ALL OF THESE MEDIA INVENTED TRENDS LIKE OI AND SKUNK. ARE YOU REALLY SO STUPID AS TO BELIEVE THE LIES OF THE RACISTS AND BULLYS. WHY CAN'T YOU THINK FOR YOURSELF. THE SYSTEM INVENTED THE CLASS SYSTEM, IT'S A WAY OF KEEPING YOU IN LINE. IT'S JUST LIKE RELIGON. ARE YOU REALLY HAPPY ABOUT THE WAY THINGS ARE TODAY. VIOLENCE ISN'T A NEW IDEA IT'S ALWAYS BEEN AROUND, SO IF YOU THINK YOUR CHANGING THINGS BY FIGHTING YOUR WROUNG, YOUR DOING JUST WHAT THE SYSTEM WANTS YOU TO DO!!! ANARCHY ISN'T ABOUT BEATING THE SHIT OUT OF YOUR NIEGHBOUR. IT'S ABOUT RESPECT FOR PEOPLES OPINIONS IT'S ABOUT MAKING YOUR OWN RULES AND NOT FORCING THEM DOWN OTHER PEOPLES THROATS!!!

WHY DO YOU FOLLOW SOCIETY'S RULES OF SEXISM AND RACISM ARE YOU GREAT IF YOUR BIG MAN OR BUEATIFUL WOMEN. YOU CONTINUE TO DEVIDE THE PEOPLE INTO GROUPS: BLACK OR WHITE SKIN OR PUNK, MAN OR WOMEN, WORKING CLASS OR MIDDLE CLASS, WHEN YOU DO THIS THE SYSTEM CAN EASLY DEVIDE AND RULE YOU CONTINUE TO OPPRESS AND NOTHING GETS BETTER.

YOU CAN SHOVE YOUR PREJUDICE UP YOUR ASS!!!!!!!!!!!

Ⓐ DOESN'T STAND FOR ASSHOLE!!!!!!!!!!

WE NEVER ASKED FOR WAR (from 'No Doves Fly Here' by the Mob)

When I have the time, I like to think. This is one of these moments. Sometimes I sit here and think about nuclear war. It's really scary cos it really could happen. I sit here and listen to the radio. What if one day, as I was listening to the radio like I'm doing now, they announced that something went wrong in the middle east and that all hell had broken loose with nuclear weapons? Or what if I was watching television and they stopped the program to bring a special news bulletin that the states had shot some nuclear missiles at russia and that russia had done the same? What would you do? Where would you go? Would you get fried in you house? Would you run to the streets to protest the horror of it all and see the dead corpses strewn everywhere? Would you try to phone someone just to find xxxx out that the phone is dead, there is no electricity, 'civiliztion' has broken down? Would you run to a friend? Would you scream in horror? Would you crouch in a corner and cry? WHAT WOULD YOU DO??? You may be scoffing, saying it'll nver happen. Are you sure of that? Or are you just saying something that's been programmed into your head? What about reagen, is he really going to stand by and negotiate disarmament with the soviets? What about russia? Their power hungry leaders don't care about people. And the middle eastern and third world countries? They spend tons of money on nuclear weapons (instead of food and medicines, HYPOCRITS) and if the 'big powers' don't please them anymore, well, KABLLOOYY!! That really can happen. Have you ever stopped to think about that ? HAVE YOU EVER STOPPED TO THINK??? This is your planet too, your LIFE! Is your life and millions of others worth the pride of a nation (ALL BULLSHIT) or 'freedom' as in democracy? If you think so then you really are fucked. The point is it could happen. It just may happen. Sometimes when I think about it I just get so scared I wanna turn the xx radio off and crawl into a hole in the ground and hide. But that won't accomplish anything. It really frightens me. Don't you care about yorr life?

THE MOB

Nuclear war, Israel, Falklands, Reagan + Brezhnev pea-nuts.

Thatcher — besides be trying to lead a country with 3½ million unemployed she is also trying to relive some of Britain's former leaders glorious moments. That's why she sends her valiant warriors and warships off to the Falklands to die in glory. Would'nt negotiating for six months or whatever be better than the death of 2,000 men, ~~dead~~ who knows how many sheep and the spending of millions of dollars. Solving a dispute with armed force is mass murder — if someone decided to set up a tent on your property, most people would talk to him sensibly, possibly let him pay a rental fee. But if some goverment, who "defend their land" accu prison. Note picture proud of their victory

her ~~his~~ brave injured soldiers is not helped by other soldiers. Notice also how the hypocritical bitch Thatcher pissed off when an memorial service was held for dead soldiers that she was pissed off when it turned into an anti war memorial rather than a memorial glorifying the victory.

Nuclear war or any war is a black hole to avoid. With two power crazy assholes like Reagan and Brezhnev deciding whether we all die a ~~or~~ some death, its as easy as ~~they decide~~ pushing a button to an elevator, for them to kill us all— the lucky ones, immediately or a slow torturous death while they hide in their bunkers.

Peace is the only choice for us and our mindless "me nike" are laughed and snickered living back in the 60s— morons. I'm not a dope'd

On October 30 there will be a peace festival in Ottawa with Reggae Bands playing, we don't know all the details right now so just look around Toronto for details on buses etc...
Hope to see you there.

Dear Sir,

Recently I bought a Trident 2 system from your firm and have since had nothing but trouble with it. On arrival, it was discovered that the assembly instructions were missing and, as we subsequently found out, so were several of the tail fins.

You finally promised in your letter of 2nd March 1983, in reply to mine of 21st October 1982, 13th December 1982, 5th January 1983 and 22nd February 1983 to forward these items, but they have still not arrived. All I have had so far are four cards saying your engineer called while I was out.

As if this were not enough, I found that when the first missile was tested, far from "zoning onto the target with pin-point accuracy at a range of up to 6000 miles" as you claimed in your advertisement, it plunged back into the water only two hundred yards away from the launch submarine. When we recovered it, the water had washed all the paint off (which incidentally was yellow, not blue as I ordered), revealing underneath the words "Trident 1 system: Defunct—For Export To UK Only".

In view of the current belligerent stance of the Soviet Union, this poor state of affairs cannot continue and unless your firm does something to rectify this situation in the very near future, I shall be forced to take severe action.

Yours disappointedly,

M. Thatcher

Dear Sir,

Thank you for your letter of 3rd. June 1983. We are always pleased to hear from satisfied customers and indeed pride ourselves on generating most of our business from word-of-mouth recommendations.

If you know of a friend who would like a Trident 2 system, please fill in the form below. Would they decide to buy a system from us on your advice, you will receive a free surprise gift.

Yours Truly

Sir,

I have written to you fifteen times now to complain about my Trident Two (C5) missile system which has not worked properly since I bought it. Your advertised "fantastic after-sales service for life" has, in a year and a half, consisted of but one two-star general who turned up on the wrong day, took one look at the missiles and collapsed in hysterics. Since then, I might point out, he has been treated completely free on our NHS system (about which the only good thing that can be said is that it works a damned sight better than your missiles do).

After much thought, and in view of the present increasingly dangerous international situation, with the Russians poised to cross the Rhine, I have decided to ask either for a replacement to be sent immediately or else to have my money back. To show how seriously I view this, I should warn you that I have written to the British Consumer Association, presenting them with all the facts.

Yours disgustedly,

M. Thatcher

Dear Sir,

Thank you for your letter of 7th December 1983. We are always delighted to hear from our customers and are glad to discover your comments on our after-sales service.

Although we would like to help you with your small problem, our records show that your system was bought more than a year ago and so is no longer covered by our Special 12-month Catch-All Guarantee. As it would appear from your letter that you have been having difficulties with your Trident for some time, it would perhaps have been more sensible to have written to us earlier.

I note, however, that you have our Trident 2 system which has been out-of-date for some time now. If you have been satisfied with this, might we suggest you would now be happier with a Trident 3 (E6) system which is a greatly improved model, and with which we provide our usual and quite unique after-sales service.

I enclose our sales brochure for this Missile of Missiles, and should inform you that we offer very favorable trade-in terms.

Yours truly,

R. Reagan

BEST SONG I'VE HEARD IN MONTHS

THE GREATEST WORKING CLASS RIP OFF

CHORUS: Ain't it just a rip off, oi, oi, oi/Ain't it just a rip off, oi, oi, oi/Ain't it just a rip off, oi, oi, oi/What a fucking rip off, oi, oi, oi.

Another threatening glance, another macho stance/Another aggressive fist, another arsehole pissed/Another vicious threat, a stream of blood stained sweat/Another bottle waved in the air, another battle with tension and fear.

CHORUS

Tell me, why do you glorify violence? Ain't there nothing better to give?/Why fuck up the only chance to be yourself and really live?/You tell me you're a working class loser, well what the fuck does that mean?/Is the weekly fight at the boozer gonna be the only action you've seen?/Are you gonna be one of the big boys, well, we've seen it all before/ Muscles all akimbo as they boot down another door/Will you see yourself as the hero as you boot in another head/ When you're just a pathetic victim of the media you've been fed/You're lost in your own self pity, you've bought the system's lie/They box us up and sit pretty as we struggle with the knots they tie/Okay, so you're right about one thing, no-one's got the right to shit on you/But what's the point of shitting on yourself, what's that gonna do?/ Working class hero beats up middle class twit/Media labels, system's shit/When it looks like the people could score a win/The system makes sure that the boot goes in.

Yeah it's the greatest working class rip off, oi, oi, oi/Just another fucking rip off, a fucking media ploy/It's the greatest working class rip off, oi, oi, oi/Ain't it just a rip off, ain't it just a rip off, ain't it just a rip off, oi.

Punk attacked the barriers of colour, class and creed/But look at how it is right now, do you really think you're freed?/Punk once stood for freedom, not violence, greed and hate/Punk's got nothing to do with what you're trying to create/Anarchy, violence, chaos?/You mindless fucking jerks/Can't you see you're talking about the way the system works?/Throughout our bloody history force has been the game/The message that you offer is just the fucking same/ You're puppets to the system with your mindless violent stance/That's right you fuckers, sneer at us 'cos we say "Give Peace a chance"/Punk is dead you wankers, 'cos you killed it through and through/In your violent world of chaos, what you gonna do?/Is Top of the Pops the way in which you show how much you care?/Will you take off now to the USA to spread your message there?/Well mouth and trousers, sonny boy, never changed a thing/The only thing that'll ever change will be the song you sing/'Cos when you've bought your Rolls Royce car and luxury penthouse flat/You'll be looking down your nose and saying "Punk dear chap, what's that?"/You'll be the working class hero with your middle class dream/And the world will be the same as the world has always been/Punk's the people's music so you can stuff ideas of class/That's just the way the system keeps you sitting on your arse/Class, class, class, that's all you fucking hear/Middle class, working class, I don't fucking care.

It's the greatest working class rip off, oi, oi, oi/What a fucking rip off, oi, oi, oi/It's the greatest human sell off, oi, oi, oi/Ain't it just a rip off, oi, oi, oi.

Punk's the people's music and I don't care where they're from/Black or white, punk or skin, there ain't no right or wrong/We're all just human beings, some of us rotten, some of us good/You can stuff your false divisions 'cos together I know we could/Beat the system, beat its rule/Ain't got no class, I ain't a fool/Beat the system, beat its law/Ain't got no religion 'cos I know there's more/Beat the system, beat its game/Ain't got no colour, we're all the same/People, people, not colour, class or creed/Don't destroy the people, destroy their power and their greed. CRASS

IT SEEMS TO BE IN TO CRITISISE THE BELIEF IN ANARCHY,EVERYBODY SAYS THAT IT WILL NEVER WORK.WELL I GUESS MY DEFINITION OF ANARCHY IS DIFFERENT THAN THE THE ONE THEY TEACH YOU IN YOUR NICE SAFE SCHOOL.ANARCHY IS A STATE OF MIND NOT A FORM OF GOVERNMENT IT IS LIVING WITHOUT THE SYSTEM,IT'S ABOUT MAKING YOUR OWN RULES AND GETTING ALONG WITH PEOPLE ,IT'S INDIVIDUALITY TO SAY ANARCHY IS A FAD IS TO SAY BEING AN INDIVIDUAL IS A FAD.THERE ARE PEOPLE WHO ANARCHY SIGNS BUT DON'T UNDERSTAND, JUST AS THERE IS PEOPLE WHO SAY THEY'RE INDIVIDUALS BUT REALLY ARN'T.I DON'T BELIEVE IN THE GOVERNMENT IT'S ALWAYS THE SAMEIT'S VIOLENCE IT'S HATE.CANADA'S GOVERNMENT SAY'S IT'S PEACEFULL,AT THE SAME IT MAKES PARTS FOR NUCLEAR BOMBS,IT SELLS REACTORS TO COUNTRYS WHO MAKE BOMBS,IT SELLS GUNS,BOMBS,NAPALM,THAT DOESN'T SOUND PEACEFULL TO ME.I WON'T WORK FOR THE SYSTEM I REJECT THE SYSTEM.TO LIVE WITHOUT THE SYSTEM IS TO LIVE IN A STATE OF ANARCHY.IT'S HARD TO DO,IT'S ALOT EASIER TO PLAY THE GAME AND GETTHE SHITTY REWARDS. MAYBE WE WILL NEVER GET TO A TIME WHERE EVERY BODY SHARES AND LIVES IN HARMONY,A STATE OF TOTAL ANARCHY BUT IF YOU WANT SOMETHING YOU HAVE TO WORK FOR IT.SO STOP BITCHING ABOUT CLOTHES THAT ALL LOOK A LIKE AND START THINKING FOR YOURSELF.
